CANNABIS IMPAIRMENT AND DWI RECOGNITION

———— **JUNE 14, 2023** ————

*Bergen County Law and Public Safety Institute
281 Campgaw Rd. Mahwah, NJ 07430
0830 hrs - 1630 hrs*

Topic: Briefly explore the New Jersey Cannabis Law and how it affects current police policy and procedures. Students will have the opportunity to learn the various forms of cannabis and paraphernalia: flower, oils, synthetics, and vaping. Understand the signs and symptoms cannabis displays and how to use them during an investigation. Lastly, explore the various field sobriety tests/studies and how to use them efficiently to establish probable cause for an arrest.

This class is for **all patrol officers** who want to learn from the most up to date information and studies on how to establish **probable cause** when they encounter a subject under the influence of cannabis. The class is suitable for all levels of experience and does not require a prerequisite.
